*Description: Fred is a mermaid. But stop right there. Whatever image you're thinking of right now, forget it. Fred is not blonde. She's not buxom. And she's definitely not perky. In fact, Fred can be downright cranky. And it doesn't help matters that her hair is blue. Being a mermaid does help Fred when she volunteers at the New England Aquarium. But, needless to...*

Emma is one of Austen's and my least favorite characters. But when the tables are turned, Kerry finds herself at Rafe's mercy. Still, despite these sometimes aggravating character beats the main story is still plenty engaging and the big throw down at the end is solid. It seems almost wrong to say it, but I kept thinking as I was reading that this reminded me so much of the late Sir Terry Pratchett. Or so she tells herself.

With echoes of WE ARE NOT GOOD PEOPLE whispering in the background, Somers once again takes the reader into the world of Tricksters and Archmages, and leaves us wanting more.
